

Capability Statement

RR360 Solutions

Company Overview

RR360 Solutions (Rapid Response 360 LLC) is a procurement and rapid-response sourcing company supporting nursing homes, medical laboratories, clinics, and facility operations across the United States.

The company specializes in coordinating reliable supply access through manufacturer and distributor networks, with a focus on speed, compliance, and continuity of operations. RR360 Solutions supports both routine and urgent sourcing needs while maintaining healthcare-grade quality and documentation standards.

RR360 Solutions is led by an **ASCP-certified Medical Laboratory Scientist**, bringing regulated healthcare experience and compliance-informed decision-making to procurement operations.
